The State Election Commission already requested you to take certain measures to facilitate Webcasting in sensitive / hypersensitive polling stations located in your district during forthcoming ordinary elections to Municipal bodies and MPTCs / ZPTCs, 2014.

The Collectors and District Election Authorities are permitted to explore options to get the IT students having laptops enrolled for undertaking webcasting exercise. It should be ensured that the students enrolled and the college managements should not have any political leanings. It is also to be made clear that they will be given a certificate of participation besides payment of remuneration at the same rates fixed in Gram Panchayat Elections, 2013 held in July, 2013 i.e., Rs.500/- per student excluding transportation and accommodation during the period of their deployment which will be arranged by the district administration.

You are requested to provide information in the proformas appended to this letter on availability of students with laptops from reputed institutions and polling station details where webcasting is going to be undertaken in the ensuing elections.

Yours faithfully,  
**Sd/- Navin Mittal**
